

# Wooden folding rule »Luxus«

Item-No. 6130 / 6130-co

Wooden folding rule made of beech wood with elements with hardened spring joints for an abrasion-resistant and long lasting function.

Millimeter partition on both sides makes the scale readable from the first till the last centimeter.

High quality protective lacquer: weatherproof and abrasion-resistant against dirt and humidity.

Nearly smooth surface when folded up for optimal advertising opportunities.

Rule function with solid precise grid pattern of lines when folded out.

excellent craftsman quality

III EU accuracy class III
