

Individual eraser pencil toppers

With individual imprint on both sides!

imprinted eraser + imprinted pencil = double benefit = double advertising effect!

There is not much that goes as well with an imprinted pencil than a funny and original designed eraser!

Combined with an imprinted pencil, the eraser with its special shape is easily turned into an eye-catching promotional article: **with extra-large advertising space for logo, product, slogan, photo etc.**

Apart from the **4 standard shapes (round, rectangle, heart and oval)** we can also produce erasers with **individual shape** imprinted with your motif.

i Well packed: the pencil with eraser topper perfectly fits into the bookmark packaging with Art.No.: 8013.
